

SUMMER 2017

Worship at First Universalist Church

Summer Worship Theme: Meeting the Moment

Sometimes it happens in a small room, when your mind quiets, and the rhythm of your breath begins to lead. Sometimes it happens in a conversation, when you take a leap of faith and step into a hard conversation. Sometimes it is that crazy notion that will not be pushed aside, and you make an about turn that leads into an unimaginable freshness of life and purpose. Sometimes it's showing up in the streets, in a rotunda, in a meeting, in covenantal community. Sometimes it's showing up for yourself. The religious life is meeting the moment over and over again. Join us this summer as ministers and speakers from all different walks of life and contexts tell of their spiritual grounding, and stories of meeting the moment.
