Newcomers Circle is not a replacement or prerequisite for the Membership Class—they are complimentary curriculums that may be done in any order.

CHILDREN, YOUTH & FAMILIES

Our programs for Children, Youth, and Families run from September through May.

All families—new and returning, with babies through high schoolers—must register each church year. [Register your family today.](#)

Together, we seek to expand our hearts and minds, make a difference in the world, mark important milestones, and explore big questions. We are a supportive, anti-racist, anti-oppressive, multigenerational, radically welcoming religious community.

Visit the [Families section on our website](#) for detailed information about this Fall's programming, and to view the most current calendar of events.

Please email our Director of Children, Youth, & Families Ministry, Allison Connelly-Vetter ([allison \[at\] firstuniv.org](mailto:allison@firstuniv.org)), with any questions or for more information.

Sunday Morning Religious Education

Kids and youth in Kindergarten through 8th/9th grade [Our Whole Lives \(OWL\)](#) participate in Religious Education during worship, while our [9th grade Coming of Age](#) youth meet after the service.

Our 8th/9th grade OWL youth begin in their room at 10 am. ***Children of all ages, along with high school youth, are always welcome to remain in worship with their families.***

There are Sundays during the program year on which we do not offer regular Religious Education. [Please check the church calendar for details on what is offered on a particular Sunday.](#)

Sacred Sites Tours invite us to learn the history and importance of these sacred sites, to reflect on our own roles in the continuing systems of colonization and extraction, and to develop plans for future action on reparation and repair. Participants move beyond just learning about the history of these places and into a deeper relationship with their own responsibility for honoring, protecting, and repairing our relationship with these places and the Indigenous people who originated here. The tour lasts about 4 hours and includes a visit to three sacred sites throughout the Cities. Led by Rev. Jim Bear Jacobs, this tour offers an opportunity to learn about history through story-telling and experiencing the sites in silence/meditation/reflection.
